

# INVEST

*"Equipping the saints for the work of ministry."  
Ephesians 4:12*

Has anyone invested in you lately? At Grace, we want to follow the Apostle Paul's teaching in Ephesians 4:12 and invest in you! INVEST exists to allow for more intense examination and application of critical doctrines, theological subjects, and how to live the Christian life beyond what a Sunday sermon affords. We want to invest in your life by training you in key doctrines, theology, and how to live the Christian life well.

INVEST is open to all Grace adults and students.
